

## Tricare Updated Prescription Costs. Effective: 1 February 2016

Your prescription costs depend on who you are, where you fill your prescription and the type of drug.

### Active Duty Service Members

You can get prescriptions filled from any pharmacy at no cost.

- You may be required to pay up front for prescriptions from network and non-network pharmacies.
- You'll get a full reimbursement when you file a claim with Express Scripts.
- Your provider must establish [medical necessity](#) for you to get [Non-formulary Drugs](#)A drug in a therapeutic class that isn't as clinically or cost-effective as other drugs in the same class. You pay a higher cost share for these drugs. at no cost.

### All Other Beneficiaries

#### Military Pharmacy

- Get up to a 90-day supply of most prescription drugs.
- \$0 copayment

#### Home Delivery

- Get up to a 90-day supply of most prescription drugs.
- Generic formulary: \$0
- Brand name formulary: \$20
- Non-formulary: \$49 (unless you get [medical necessity](#))

#### Network Pharmacy

- Get up to a 30-day supply of most prescription drugs.
- Generic formulary: \$10
- Brand name formulary: \$24
- \*Non-formulary: \$50 (unless you get [medical necessity](#))

If you want a 90-day supply from your network pharmacy, you'll pay the cost for each 30-day supply. For example, a 90-day supply of a generic drug will cost \$30.

*\*Some non-formulary drugs are only covered through Home Delivery. Check with Express Scripts before filling prescriptions for non-formulary drugs at a retail network pharmacy.*

#### Non-Network Pharmacy

You'll pay more to get your prescription filled at non-network and overseas retail pharmacies.

- The costs are based on where you are, who you are and in some cases, what plan you're using
- You may need to pay up front and [file a claim](#) for reimbursement.

| <b>Non-Network Pharmacies in the United States and U.S. Territories</b> |   |
|---|---|
