

COUNTY OF DANE  
Department of Emergency Management

KATHY M. KRUSIEC, Director  
(608) 267-1591

**Dane Co. Tactical Interoperability Communications Plan (TICP) Workshop**

**August 12-13, 2010**

Candlewood Suites  
5421 Caddis Bend  
Fitchburg, WI 53711

### **Purpose**

To assist the Dane County stakeholders develop a TIC Plan that will clearly define the breadth and scope of interoperable assets available within the County.

### **Outcomes**

- A clear understanding of the purpose and elements of a TIC Plan.
- Identify and document interoperable communications assets in Dane Co.
- Define how assets are shared, requested, activated and deactivated.
- Develop a working group that mirrors the responders and support personnel needed for day-to-day interoperable activity and major incidents.
- Identification of interoperability gaps or deficiencies.
- A draft of a Dane Co. TIC Plan.
- A shared understanding of the OEC/ICTAP key projects, offerings and availability for technical assistance

### **Agenda**
