MEDIA ADVISORY

**State Emergency Operations Center
Activated for Severe Weather**

MADISON – Officials with the State of Wisconsin have activated the State Emergency Operations Center in Madison and are monitoring the severe weather currently moving through Wisconsin.

The Wisconsin Emergency Operations Center was activated at 4:45 p.m. today in response to this situation.

Representatives of Wisconsin Emergency Management and the National Guard are currently staffing the EOC.

News media representatives can reach EOC public information officers at 608-242-3293 or 608-354-1415.
