Alcohol is prohibited on state property regardless of a license per Chapter 125.09(1), Wis. Stats. DOA Admin. Code 2.14(2)(j), prohibits bringing animals into any state-owned buildings. Our regulation does not allow firearms to be brought into and used within our armories. Our armory facilities do not meet state building codes for overnight usage by non-military personnel. Vehicles are not allowed on the drill floor. A fee may be assessed for the use of the armory.

14. A \$1,000,000 Certificate of Liability Insurance policy that names the State of Wisconsin, Department of Military Affairs, \_\_\_\_\_ National Guard Armory as an “additional insured” for the entire period of the Facility Use Agreement is required. Attach the certificate of insurance, including the additional insured endorsement, or certificate of protection in lieu of an insurance policy statement to this Facility Rental Request form. **We will not authorize use of the facility without being named as an “additional insured.”**

Please check one of the boxes below to indicate the statement that applies to your organization:

- We are a private entity.
- We are a municipal corporation or other [non-state/non-federal] public entity.
- We are a state or federal governmental entity. We are providing a certificate of protection in lieu of an insurance policy statement that identifies the name and type of governmental agency and the statutory provision or provisions that provide liability protection for the agency.
- We are a quasi-governmental agency. The WI WING Civil Air Patrol (CAP) Administrator will provide the CFMO office with the certificate of insurance and additional insured endorsement. The CAP’s policy period is October 1 – September 30.
- We are using the facility on official Department of Military Affairs, Wisconsin National Guard or Wisconsin Emergency Management business. List the point of contact for verification purposes. A certificate of insurance will not need to be provided. (Documentation substantiating the official use is required.)
