OPENING DATE: 12 April 2019
CLOSING DATE: 10 May 2019

UNIT/LOCATION: 128 MDG, Milwaukee, WI
POSITION: Health Services Technician

MILITARY AFSC REQUIREMENTS: 4N0X1
MINIMUM SKILL LEVEL REQUIRED: 5

AREA OF CONSIDERATION: Open to all eligible to enter the WI ANG AGR Program
Must possess advertised AFSC
No trainees accepted

FILL DATE: 01 October 2019

SALARY RANGE: Pay and allowance commensurate with military pay.
MINIMUM GRADE REQUIRED: SrA/E-4
MAXIMUM GRADE AUTHORIZED: MSgt/E-7
MAXIMUM GRADE AVAILABLE: MSgt/E-7

MINIMUM QUALIFICATION REQUIREMENTS

1. Member must be medically qualified IAW AFI 48-123, Medical Examination and Standards. Applicants cannot be subject to any flagging action for medical purposes. ANG members entering on full-time duty must have a current physical examination (within 36 months) prior to entry date. Individuals transferring from title 10 USC (active duty or statutory tour) are not required to have a new physical unless the previous physical is over five years old at the time of entry onto AGR status. Selected individual must have an HIV test completed within 6 months of AGR start date.

2. Members must meet physical fitness standards IAW AFI 36-2905, Air Force Fitness Program.

3. Applicants with family members currently on-board are cautioned to review ANGI 36-101 for assignment restrictions.

4. Personnel must have sufficient retainability to permit completion of tour of duty. Cannot be eligible for or receiving an immediate Federal (Military or Civilian) retirement annuity.

5. Each application will be screened for all mandatory AFSC entry criteria, if degree requirements are required, please enclose copies of transcripts.

6. While there is no minimum time in position required for application, if selected individual has less than 18 months in current position on initial tour or 12 months in position on subsequent tour, final approval is contingent upon TAG waiver.

7. At a minimum, applicants must be able to obtain and /or maintain a favorable adjudicated personnel security investigation that is commensurate with their currently assigned AFSC. Inability to maintain a favorable background investigation or required security clearance may result in administrative action, including termination from employment.

CONDITIONS OF EMPLOYMENT

1. Individuals selected will be ordered to/or continued on full-time military duty under the provisions of Title 32 USC 502(f). Subsequent tours are at the discretion of the State Adjutant General. Member must remain in initially assigned position for a minimum of twelve months.

2. Individuals selected for AGR tours that cannot attain 20 years of active federal service prior to reaching mandatory separation, must complete a Statement of Understanding in accordance with Attachment 2 of ANGI 36-101.

3. Applicants participating in the ANG Incentive Program may be terminated upon entry into full-time National Guard duty. See specific incentive agreement for termination rules.
4. Applicants must not have been separated “for cause” from active duty or a previous AGR tour.

5. Existing ANG Promotion Policies apply.

**BRIEF DESCRIPTION OF DUTIES:**

Provides, supervises and manages patient care of beneficiaries to include flying and special operational duty personnel. Performs nursing tasks. Acts as Patient Centered Medical Home member or team leader. Front-line preventionist who identifies potential health risks and provides preventative counseling. Performs paraprofessional portions of preventative health assessments and physical examinations. Monitors and records physiological measurements. Orient patients to the hospital environment. Admits, directs, discharges, and transfers patients as directed. Observes, reports, and records observations in patient progress notes and team conferences. Performs portions of medical treatment, diagnostic, and therapeutic procedures. Cares for, observes, and reports on pre/post-operative, seriously or critically ill, and injured patients. Records treatments and procedures rendered and observes effects. Performs postmortem care. Identifies patient problems and assists in developing and evaluating patient care plan(s). Assembles, operates, and maintains therapeutic equipment. Provides field medical care in contingency operations and disasters. Performs basic life support and triage in emergency situations. Serves as member of primary emergency medical response to in-flight emergencies and potential mass casualty scenarios for on- and off-base incidents. Operates emergency medical and other vehicles. Loads and unloads litter patients. Participates in contingency or disaster field training, exercises, and deployments. Augments search and rescue flying squadrons. Obtains and maintains linen and supplies/areas. Disposes of medical waste. Maintains inpatient and outpatient medical records. Screens medical records for deployability and other medical administrative requirements. Prepares and submits administrative reports. Manages supplies and equipment, submits and executes budgets. Coordinates medical service activities with execution and clinical management teams. Utilizes the nursing process for promoting and maintaining patient health. Provides disease and disability education, care, and evaluation of nursing care. Participates in and leads the planning, implementation, and evaluation of nursing care. Performs assessment and analysis of patient health status, identifies health goals, recognizes subtle changes in conditions, interprets these changes, and immediately determines appropriate course of action. Supervises personnel, conducts training, and creates duty schedules. Supervises and performs in-service training on procedures, techniques, and equipment. Plans and/or conducts periodic disaster training, fire drills, and evacuation procedures. Provides training to medical and non-medical personnel; training may include areas such as emergency medical technician and required basic life support training. Immunization: Manages computer based patient information. Performs tuberculosis testing. Administers vaccines IAW current guidelines. Provides emergency care for treatment of anaphylaxis. Provides patient education regarding expected reactions and proper post-vaccination care. Provides oversight of immunization processes and programs. Manages the Immunization Backup Technician (IBT) program. Performs flight and operational medicine duties. Assists flight surgeon with aircraft mishap and physiological incident response, investigation, and reporting. Supports flight surgeon to develop flying safety and deployment briefings. Assists healthcare provider teams with interpretation and application of medical standards to determine medical qualifications for occupational duty, worldwide duty, special operation duty, mobility status, flying status, special duty, security clearance, professional military education (PME), retraining, commissioning, and transition to Air Force Reserves or Air National Guard. Provides administrative management of duty limiting conditions reports. Assists with oversight of waiver management utilizing the Aircrew Information Management Waiver Tracking System (AIMWTS). Maintains grounding management on all aircrew assigned utilizing the Aeromedical Services Information Management Systems (ASIMS). Performs the paraprofessional portion of initial flying class/special operational duty (SOD) physicals. Conducts clinical entries for data into the Physical Examination Processing Program (PEPP) and manages physical until completion. Provides first point of contact for non-emplanned patients requiring physical examinations (i.e. Department of Defense Medical Examination Review Board (DoDMERB), Reserve Officer Training Corps (ROTC), and others that are an extension of the occupational exam). Performs preventive health assessment (PHA) physicals for flying status and non-flying status personnel and updates results of required tests and examinations into ASIMS.

3.1.3. 4N0X1C. Medical, dental, and emergency treatment; disorders; advanced cardiac and disease management; epidemiology; and entomology. Pharmacy, laboratory, bioenvironmental immunizations, public health, medical logistics, and medical administration.

3.1.4. 4N0X1F. Physical examinations procedures, aircrew medical waivers, medical standards, and duty limiting conditions.

**Education.** For entry into this specialty, completion of high school is required with courses in general science, biology, psychology, and chemistry is desirable.

**Training.** The following training is mandatory for the award of the AFSC indicated:

3.3.1. 4N031. Completion of Basic Medical Technician Corpsman Program (BMTCP).

3.3.2. 4N031B. Completion of a basic neurology technician course.

3.3.3. 4N051C Completion of IDMT Program and certification at the host medical treatment facility is mandatory.

3.3.4. 4N051F. Completion of Flight and Operational Medical Technician course.

**Experience.** The following experience is mandatory for the award of AFSC indicated:

3.4.1. 4N051/51X. Qualification in and possession of AFSC 4N031/31X. Experience performing functions such as care and treatment of patients, operating and maintaining therapeutic equipment.

3.4.2. 4N071/71X. Qualification in and possession of AFSC 4N051/51X. Also experience performing or supervising functions such as nursing activities; care and treatment of patients; operating and maintaining therapeutic equipment; and conducting paraprofessional portions of physical examinations.

3.4.3. 4N091. Qualification in and possession of AFSC 4N071/71X. Experience managing functions such as medical and related patient care and administrative activities.
HOW TO APPLY

All applicants must submit a complete application packet to J1 to be considered for an AGR position. All Applicants must submit an application that includes the following:

☐ Cover letter with Job Announcement Number and Position Title for which you are applying, current Military Status (AGR, Technician, Traditional, Active Duty), along with contact information (i.e. Phone numbers and an e-mail address). Required for all applications.

☐ If you are unable to obtain or must substitute required documents, a detailed statement must be provided in the Application Cover letter to justify the absence. Failure to include justification for missing or replaced documentation in cover letter will result in disqualification of Application. Documents submitted after the closing date will not be accepted.

☐ NGB Form 34-1 (Application for AGR Position) dated 11 November 2013 (must be provided even if already AGR; must be signed and dated). Manually signed copy accepted. Digital signature may fall off when combining PDF files. Double check prior to sending packet.

☐ Record Review RIP (NOT point credit summary or Career Data Brief) complete and current. Other Service Components submit appropriate individual personnel information printout. This is used to verify AFSCs, aptitude scores, position status, time in service, time in grade, etc. This can be pulled from VMPF. If you cannot pull contact your A1.

☐ All airmen will provide a satisfactory fitness test by the last day of the month (must meet this requirement by the closing date).

☐ Current (within 12 months) AF Form 422, Physical Profile Serial Report. Other Service Components submit medical documentation that includes PULHES score and if any PULHES are a “3”, a statement indicating that individual is Worldwide Deployable. If you do not know where to obtain a 422 contact your Medic section. A working copy will be accepted to show the process has started if most current 422 is not within 12 months of the closing date. This is used to verify PULHES and medical readiness.

*The Wisconsin National Guard is an organization that values diversity and inclusion. As part of our recruitment process, we invite all job seekers interested in employment with The Wisconsin National Guard to voluntarily provide gender and ethnic information for *Equal Employment Opportunity reporting. We do not use this self-identification information in any manner to make our hiring decisions, and whether or not you provide your self-identification information will have no impact on our review of your resume and/or application.

☐ All Other Service Component applicants must have their ASVAB raw scores converted to Air Force ASVAB scores and include them in a letter from either a Recruiter or MEPS Counselor.

1. E-mail SCANNED application encrypted to AGR POCs SSG Jennifer Valencia and SrA Ryan Olson: jennifer.r.valencia2.mil@mail.mil and ryan.e.olson9.mil@mail.mil. An email will be sent to confirm receipt of application. Emails verifying receipt are not automatic. Feel free to call Comm (608) 242-3720 or (608) 242-3730 to verify receipt of your packet. Scan file in as 1 PDF. Contact your unit to assist if needed.
2. Applications can also be mailed at applicant’s own expense (next day mail suggested) or hand carried to: Joint Force Headquarters Wisconsin, ATTN: WIJS-J1-AGR (AGR Army Staffing), 2400 Wright Street, Madison, WI 53704-2572. Do not submit application packets in three-ring binders, 2 sided, on card stock, or staple pages together. Must be received prior to closing date or it will be disqualified (do not mail out the last day job announcement is open!) Individuals may call 608-242-3720 or 608-242-3730 before job-closing date to ensure the application was received.

3. **J1 will not review the application for completion or accuracy before the closing date.** The applicant is responsible to ensure that application is complete and all required documents are correct and included. If the application is incomplete, a letter will be sent to the individual indicating the reason for disqualification. All applications submitted become the property of the Human Resources Office and will not be returned.

4. Questions regarding this announcement may be referred to AGR Army Staffing, Comm (608) 242-3718 DSN 724-3718 or e-mail Ng.wi.army.mbx.j1-internet-feedback@mail.mil
