About My Health_eVet

My Health_eVet (MHV) is the gateway to veteran health benefits and services. It provides access to trusted health information, links to Federal and VA benefits and resources, the Personal Health Journal, and now online VA prescription refill. In the future, MHV registrants will be able to view appointments, copay balances, and key portions of their VA medical records online, and much more! My Health_eVet is a powerful tool to help you better understand and manage your health.

Coming Soon to My Health_eVet

Many great features are planned for 2006:

- Graphing will be added to journals to make it easier to visualize your health measurements.
- Rx Refill functionality will be upgraded to include name of medication.
- Veteran patients will be able to request key portions of their VA health record (e.g., labs, meds, discharge summaries, patient reminders).
- Veterans will be able to view appointments and copay balances online
- Veterans will be able to give access to some or all of their health information to others (e.g., doctors, family, veteran advocates)

In the works are other interesting features like secure doctor/patient messaging, moderated discussions on the web, and web-based training/education programs.
