Unless Option A on page 1 is selected, all remaining leave (except for sick leave) will be paid out on the employee's final paycheck.

- Vacation and legal holiday hours for the calendar year are prorated based on the actual hours in pay status and observed holidays. If the employee has used more than the prorated amount of leave, the value of the overused leave hours will be deducted from the employee's final paycheck.
- Personal holiday hours for the calendar year may be paid out in a lump sum. Employees who have not completed six months of their original probation are not entitled to personal holiday hours; the value of any personal holiday time used will be deducted from the employee's final paycheck.
- Sabbatical hours can also be paid out in a lump sum to the employee's Wisconsin Deferred Compensation (WDC) account with the last paycheck. Contact DMA Payroll in advance to schedule this deduction.
- For employees who are retiring, the Sick Leave Credit Certification will be submitted by DMA Payroll to ETF following the employee's last date in paid status, if eligible.
