Subject: Revision to Maximum Reimbursement for

Lodging in High-Cost Out-of-State Cities –

Effective November 1, 2023

The purpose of this bulletin is to notify agencies of a revision to a provision of bulletin DPM-0606-CC/TSA dated September 18, 2023. Specifically, the first sentence of the bulletin which states "The approved Travel Schedule Amounts include provisions to establish lodging rates in excess of \$90 per night for certain out-of-state cities" only applies through October 31, 2023. Effective November 1, 2023, the approved Travel Schedule Amounts include provisions to establish lodging rates in excess of **\$98 per night** for certain out-of-state cities <u>not</u> included in the list of "High Cost Out-of-State Cities" published in DPM-0606-CC/TSA.

This means that the maximum lodging rate for cities not identified or otherwise authorized is \$98 per night; all other policy in DPM-0606-CC/TSA remains unchanged.

This revision is made to reflect the November 1, 2023 increase to in-state rates in the 2023-2025 Compensation Plan.

Subject: Maximum Reimbursement for Lodging in

High-Cost Out-of-State Cities - Effective

October 1, 2023

The approved Travel Schedule Amounts include provisions to establish lodging rates in excess of \$90 per night for certain out-of-state cities. This bulletin is an update and replacement of the information contained in DPM-0584-CC/TSA, dated September 20, 2022, which is obsolete as of October 1, 2023, and can be discarded on or after that date. The attached listing of maximum permitted amounts for lodging in out-of-state cities is effective October 1, 2023.

The amounts listed represent single-occupancy rates, without reflecting discounts. Lodging rates are for single-night stays in standard rooms and **exclude** all applicable sales and lodging taxes. Employees should attempt to receive government discounts (*only* for government business use). These amounts should not be exceeded except under the most unusual or unavoidable circumstances, which must be fully justified and approved by the agency head or designated representative. (Refer to Section F, 5.00 of the current Compensation Plan.) However, when the lodging rate is exceeded due to taxes, the taxes shall be reimbursed without additional justification. This exclusion does <u>not</u> apply to international rates. For cities not appearing in the list, rates for nearby cities in the same county may be used.

The maximum reimbursement amounts listed will be reviewed at least annually to determine whether they are adequate. Agencies should designate an individual responsible for reviewing, coordinating, and submitting to DPM requests for review of specific rates. Publication of the next update of this bulletin is anticipated in September 2024.
